# MUQPrsn: Data Dictionary

## Section 1: Identifiers

---

Variable	Label	Description	Format Text
<b>muq_build</b>	MUQ Build	MUQ Build. Used to identify the version of the database.	Char, 30
<b>plco_id</b>	PLCO ID	PLCO ID	Char

## Section 2: MUQ Compliance

Variable	Label	Description	Format Text
<b>has_invalid_muq</b>	Has An MUQ Form, But It Is Considered Invalid	<p>Does the participant have an MUQ form, but it is considered invalid?</p> <p>MUQ forms are considered invalid if the completion date is after the participant's death date.</p> <p>When an MUQ form is considered invalid, all variables except raw variable (those with a name like Q#) are set as if the participant did not have an MUQ form.</p>	<p>0="No"</p> <p>1="Yes"</p>
<b>has_muq</b>	Has an MUQ Form	Indicates if the participant returned the MUQ form.	<p>0="No"</p> <p>1="Yes"</p>
<b>muq_attempted</b>	Attempted to Give Participant MUQ	Did the Study attempt to give the participant the MUQ?	<p>0="No"</p> <p>1="Yes"</p>
<b>muq_days</b>	Days Until MUQ Completion	Days from trial entry (randomization) until MUQ form completion date, with cleaning and imputation of dates. The date is cleaned to set the year to 2013, unswap the day and month if they appear swapped, set the day to 15 if month is valid but day is missing, and set the day to 28 if February 29th is specified. If the date is missing or invalid after that cleaning is attempted, it is set to 48 days after the form was mailed to the participant.	<p>Numeric</p> <p>.F="No Form"</p>
<b>muq_status</b>	MUQ Status	MUQ completion status. This variable can be used to calculate compliance rates.	<p>0="Not compliant - Sent an MUQ form, but did not return it"</p> <p>1="Compliant - Returned an MUQ form"</p> <p>2="Not expected - Not an active participant at time of MUQ, or was not sent an MUQ form"</p> <p>9="MUQ removed due to completion date after death"</p>
<b>muq_substatus</b>	MUQ Substatus	Detailed MUQ completion status. This variable has more detailed information than muq_status on the reasons participants were not expected to have completed the MUQ form.	<p>0="Not compliant - Sent an MUQ form, but did not return it"</p> <p>1="Compliant - Returned an MUQ form"</p> <p>2="Not expected - Participant refused further active participation before MUQ was offered"</p> <p>3="Not expected - Dead before MUQ was offered"</p> <p>4="Not expected - In tracing at time MUQ was offered"</p> <p>5="Not expected - Was not an active transfer to CDCC"</p> <p>6="Not expected - Was not sent an MUQ form"</p> <p>9="MUQ removed due to completion date after death"</p>

## Section 3: BMI

Variable	Label	Description	Format Text
<b>bmi_muq</b>	BMI Calculated with MUQ Weight and SQX or BQ Height	BMI, calculated using the weight provided on the MUQ, and the height provided on the SQX or BQ. The SQX height is used if it is available and not out of range, otherwise the BQ height is used if it is available and not out of range. The weight is considered out of range if it is less than 60 pounds, while the height is considered out of range if it is less than 48 inches or greater than 78 inches for women or 84 inches for men. The BMI is considered out of range if it is less than 15.	Numeric .F="No Form" .M="Missing" .R="Height, weight, or BMI out of range"
<b>bmi_muq_cat</b>	Categorical BMI Calculated with MUQ Weight and SQX or BQ Height	BMI, calculated using the weight provided on the MUQ, and the height provided on the SQX or BQ. The SQX height is used if it is available and not out of range, otherwise the BQ height is used if it is available and not out of range. The weight is considered out of range if it is less than 60 pounds, while the height is considered out of range if it is less than 48 inches or greater than 78 inches for women or 84 inches for men. The BMI is considered out of range if it is less than 15.	.F="No Form" .M="Missing" .R="Height, weight, or BMI out of range" 1="15-18.5" 2="18.5-25" 3="25-30" 4="30+"
<b>weight_muq</b>	MUQ Weight	Question 2. What is your current weight in pounds? Cleaned version. Weight is out of range if it is less than 60 pounds or the calculated BMI is less than 15.	Numeric .F="No Form" .M="Missing" .R="Out of Range"

## Section 4: Smoking

Variable	Label	Description	Format Text
<b>muq_lifesmoke_cig_day</b>	Cigarettes Per Day (MUQ + BQ + SQX)	The average number of cigarettes smoked per day during the years the participant smoked up to the MUQ, combining information from the MUQ, BQ, and SQX. Cigarettes per day is 0 if the participant never smoked cigarettes.	Numeric .F="No Form" .M="Missing"
<b>muq_lifesmoke_cig_stat</b>	Cigarette Smoking Status (MUQ + BQ + SQX)	Smoking status as of MUQ form completion, combining information from the MUQ, BQ, and SQX.	.F="No Form" .M="Missing" 0="Never Smoker" 1="Current Smoker" 2="Former Smoker"
<b>muq_lifesmoke_duration</b>	Years Smoked (MUQ + BQ + SQX)	The total number of years that a participant smoked cigarettes over their lifetime up to the MUQ, combining information from the MUQ, BQ, and SQX. Duration is 0 if the participant never smoked cigarettes. Duration is 6 months if the participant's start and quit ages are the same. For individuals who reports having quit smoking on an earlier form and reports relapsing on a later form, time not smoked is not included.	Numeric .F="No Form" .M="Missing"
<b>muq_lifesmoke_ever_smoker</b>	Ever Smoked Cigarettes (MUQ + BQ + SQX)	Did the participant ever smoke cigarettes. Combines smoking information from the MUQ, BQ, and SQX.	.F="No Form" .M="Missing" 0="Never Smoker" 1="Ever Smoker"
<b>muq_lifesmoke_pack_years</b>	Pack Years (MUQ + BQ + SQX)	Lifetime pack years is calculated using smoking durations and intensities associated with the MUQ, BQ, and SQX. Pack years is 0 if the participant never smoked cigarettes.	Numeric .F="No Form" .M="Missing"
<b>muq_lifesmoke_years_since_quit</b>	Years Since Quit Smoking (MUQ + BQ + SQX)	The number of years between when the participant stopped smoking and when they completed the MUQ combining information from the MUQ, BQ, and SQX. Years since quit is only calculated for former smokers at MUQ completion.	Numeric .F="No Form" .M="Missing" .N="Not Applicable"
<b>cig_per_day_muq</b>	Cigarettes Per Day (MUQ)	Question 1b. On average how many cigarettes per day?. Cleaned version. Set to missing for non-current smokers.	.F="No Form" .M="Missing" .N="NA" 1="1-5" 2="6-20" 3="21-30" 4="31-40" 5="40+"
<b>cig_stat_muq</b>	Smoking Status (MUQ)	Question 1a. Do you currently smoke cigarettes? Cleaned version.	.F="No Form" .M="Missing" 0="Not Current Smoker" 1="Current Smoker"

Variable	Label	Description	Format Text
<b>muq_lifesmoke_quit_age</b>	Smoking Quit Age (MUQ + BQ + SQX)	The age that the participant most recently stopped smoking combining information from the MUQ, BQ, and SQX. Quit age is only calculated for former smokers at MUQ completion.	Numeric .F="No Form" .M="Missing" .N="Not Applicable"
<b>muq_lifesmoke_start_age</b>	Smoking Start Age (MUQ + BQ + SQX)	The age that the participant started smoking combining information from the MUQ, BQ, and SQX.	Numeric .F="No Form" .M="Missing" .N="Not Applicable" .R="Out-of-range"

## Section 5: Summary

---

Variable	Label	Description	Format Text
<b>num_drugs_total</b>	Total Number of Drugs Used	The total number of drugs used by the participant. This includes aspirin, acetaminophen, and NSAIDs recorded in questions 3-10, all drugs specified in verbatim text in questions 11-19, and all drugs from any additional pages of attached verbatim text.	Numeric .F="No Form"

## Section 6: Aspirin

Variable	Label	Description	Format Text
<b>asp_current</b>	Currently Use Aspirin	<p>Categorizes aspirin use in the past year. Participants are set to "low usage" if they used aspirin less than once per week, and set to "high usage" if they used aspirin at least once per week.</p> <p>Includes information on aspirin usage from the appropriate questions and aspirin usage indicated in verbatim text.</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="High Usage"
<b>asp_duration</b>	Aspirin Duration	<p>Question 5. For how many years have you taken aspirin at least once per week? Cleaned version. Harmonizes asp_duration_clean with the duration provided in the additional medication verbatim section if the verbatim is the source for cleaned aspirin variables. Participants are set to "low usage" if they used aspirin less than once per week (i.e., frequency was "none or less than 1 time per month" or "1 to 3 times per month").</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="<10 Years" 3="10-19 Years" 4="20-39 Years" 5="40+ Years" 11="<1 Year" 12="1-2 Years" 13="3-5 Years" 14="6-10 Years" 15="11-15 Years" 16="16+ Years"
<b>asp_ever</b>	Ever Use Aspirin	<p>Indicates if participant ever regularly used aspirin. Participants are set to "Yes" if they currently use aspirin or have a duration associated with previous use.</p>	.F="No Form" 0="No" 1="Yes"
<b>asp_frequency</b>	Aspirin Frequency	<p>Question 3. During the last 12 months about how often did you usually take aspirin? Cleaned version. Harmonizes asp_frequency_clean with the frequency provided in the additional medication verbatim section if the verbatim is the source for cleaned aspirin variables.</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="<1 per Month" 2="1-3 per Month" 3="1-2 per Week" 4="3-6 per Week" 5="7+ per Week"
<b>asp_source</b>	Aspirin Use Source	<p>Does the participant's aspirin information come from the appropriate questions (questions 3-5), the verbatim from the NSAID questions (questions 8-10), or the verbatims for other drugs (questions 11+).</p>	.F="No Form" 1="Appropriate Questions" 2="NSAID Verbatim" 3="Other Drug Verbatim"
<b>asp_strength</b>	Aspirin Strength	<p>Question 4. When you took aspirin what strength or dose did you usually take? Cleaned version. Harmonizes questions 3, 4, 5, 8, 9, 10.</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Adult" 2="Baby" 3="Other" 4="Don't Know"

## Section 7: Acetaminophen

Variable	Label	Description	Format Text
<b>acet_current</b>	Currently Use Acetaminophen	<p>Categorizes acetaminophen use in the past year. Participants are set to "low usage" if they used acetaminophen less than once per week, and set to "high usage" if they used acetaminophen at least once per week.</p> <p>Includes information on acetaminophen usage from the appropriate questions and acetaminophen usage indicated in verbatim text.</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="High Usage"
<b>acet_duration</b>	Acetaminophen Duration	<p>Question 7. For how many years have you taken acetaminophen at least once per week? Cleaned version. Harmonizes acet_duration_clean with the duration provided in the additional medication verbatim section if the verbatim is the source for cleaned acetaminophen variables. Participants are set to "low usage" if they used acetaminophen less than once per week (i.e., frequency was "none or less than 1 time per month" or "1 to 3 times per month").</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="<10 Years" 3="10-19 Years" 4="20-39 Years" 5="40+ Years" 11="<1 Year" 12="1-2 Years" 13="3-5 Years" 14="6-10 Years" 15="11-15 Years" 16="16+ Years"
<b>acet_ever</b>	Ever Use Acetaminophen	<p>Indicates if participant ever regularly used acetaminophen. Participants are set to "Yes" if they currently use acetaminophen or have a duration associated with previous use.</p>	.F="No Form" 0="No" 1="Yes"
<b>acet_frequency</b>	Acetaminophen Frequency	<p>Question 6. During the last 12 months about how often did you usually take acetaminophen? Cleaned version. Harmonizes acet_frequency_clean with the frequency provided in the additional medication verbatim section if the verbatim is the source for cleaned acetaminophen variables.</p>	.A="Ambiguous" .F="No Form" .M="Missing" 0="None or <1 per Month" 2="1-3 per Month" 3="1-2 per Week" 4="3-6 per Week" 5="7+ per Week"
<b>acet_source</b>	Acetaminophen Source	<p>Does the participant's acetaminophen information come from the appropriate questions (questions 6-7), the verbatim from the NSAID questions (questions 8-10), or the verbatims for other drugs (questions 11+).</p>	.F="No Form" 1="Appropriate Questions" 2="NSAID Verbatim" 3="Other Drug Verbatim"

## Section 8: NSAIDs

Variable	Label	Description	Format Text
<b>nsaid_celecoxib</b>	Currently Uses Celecoxib	Did the participant use celecoxib. This includes Celebrex indicated by the bubble on question 8, celecoxib indicated in the NSAID verbatim text on question 8, and celecoxib indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_current</b>	Currently use NSAIDs	Categorizes NSAID use in the past year. Participants are set to "low usage" if they used NSAIDs less than once per week, and set to "high usage" if they used NSAIDs at least once per week.  Includes information on NSAID usage from the appropriate questions and NSAID usage indicated in verbatim text.	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="High Usage" 3="Used, Frequency Unknown"
<b>nsaid_diclofenac</b>	Currently Uses Diclofenac	Did the participant use diclofenac. This includes diclofenac indicated in the NSAID verbatim text on question 8 and diclofenac indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_duration</b>	NSAID Duration	Question 10. For how many years have you taken NSAIDs at least once per week? Cleaned version. Harmonizes nsaid_duration_clean with the duration provided in the additional medication verbatim section if the verbatim is the source for cleaned NSAID variables. Participants are set to "low usage" if they used NSAIDs less than once per week (i.e., frequency was "none or less than 1 time per month" or "1 to 3 times per month").	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="Low Usage" 2="<10 Years" 3="10-19 Years" 4="20-39 Years" 5="40+ Years" 11="<1 Year" 12="1-2 Years" 13="3-5 Years" 14="6-10 Years" 15="11-15 Years" 16="16+ Years"
<b>nsaid_etodolac</b>	Currently Uses Etodolac	Did the participant use etodolac. This includes etodolac indicated in the NSAID verbatim text on question 8 and etodolac indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_ever</b>	Ever Use NSAIDs	Indicates if participant ever regularly used NSAIDs. Participants are set to "Yes" if they currently use NSAIDs or have a duration associated with previous use.	.F="No Form" 0="No" 1="Yes"

Variable	Label	Description	Format Text
<b>nsaid_frequency</b>	NSAID Frequency	Question 10. During the last 12 months about how often did you usually take NSAIDs? Cleaned version. Harmonizes nsaid_frequency_clean with the frequency provided in the additional medication verbatim section if the verbatim is the source for cleaned NSAID variables.	.A="Ambiguous" .F="No Form" .M="Missing" 0="None" 1="<1 per Month" 2="1-3 per Month" 3="1-2 per Week" 4="3-6 per Week" 5="7+ per Week"
<b>nsaid_ibuprofen</b>	Currently Uses Ibuprofen	Did the participant use ibuprofen. This includes ibuprofen indicated by the bubble on question 8, ibuprofen indicated in the NSAID verbatim text on question 8, and ibuprofen indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_indomethacin</b>	Currently Uses Indomethacin	Did the participant use indomethacin. This includes Indocin indicated by the bubble on question 8, indomethacin indicated in the NSAID verbatim text on question 8, and indomethacin indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_meloxicam</b>	Currently Uses Meloxicam	Did the participant use meloxicam. This includes meloxicam indicated in the NSAID verbatim text on question 8 and meloxicam indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_nabumetone</b>	Currently Uses Nabumetone	Did the participant use nabumetone. This includes nabumetone indicated in the NSAID verbatim text on question 8 and nabumetone indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_naproxen</b>	Currently Uses Naproxen	Did the participant use naproxen. This includes Aleve and Naprosyn indicated by the bubble on question 8, naproxen indicated in the NSAID verbatim text on question 8, and naproxen indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_other</b>	Currently Uses an Other NSAID	Did the participant use an NSAID other than the ones given separate bubbles on question 8. The NSAIDs not included in this variable are ibuprofen, naproxen, celecoxib, and indomethacin. All other NSAIDs are included in this variable, even if they are given a separate variable as well. This includes both other NSAIDs specified in the verbatim text on question 8 and other NSAIDs specified in the verbatim text for questions 11-19. In addition if a participant is considered to have used NSAIDs, marked "other" on question 8, and didn't enter verbatim text for the other NSAID, they are considered to have used an other NSAID in this variable.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"

Variable	Label	Description	Format Text
<b>nsaid_oxaprozin</b>	Currently Uses Oxaprozin	Did the participant use oxaprozin. This includes oxaprozin indicated in the NSAID verbatim text on question 8 and oxaprozin indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_piroxicam</b>	Currently Uses Piroxicam	Did the participant use piroxicam. This includes piroxicam indicated in the NSAID verbatim text on question 8 and piroxicam indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_salsalate</b>	Currently Uses Salsalate	Did the participant use salsalate. This includes salsalate indicated in the NSAID verbatim text on question 8 and salsalate indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"
<b>nsaid_source</b>	NSAID Source	Does the participant's NSAID information come from the appropriate questions (questions 8-10) or the verbatims for other drugs (questions 11+).	.F="No Form" 1="Appropriate Questions" 3="Other Drug Verbatim"
<b>nsaid_sulindac</b>	Currently Uses Sulindac	Did the participant use sulindac. This includes sulindac indicated in the NSAID verbatim text on question 8 and sulindac indicated in the verbatim text for questions 11-19.	.A="Ambiguous" .F="No Form" .M="Missing" 0="No" 1="Yes"

## Section 9: Prescription Drug Arrays

Variable	Label	Description	Format Text
<b>drug1-32</b>	[X]th Drug Used	<p>Individual drugs taken by the participant. The maximum number of drugs reported by any participant was 32 drugs (excluding aspirin, acetaminophen, and NSAIDs). This includes drugs from the verbatim text from questions 11-19, any additional pages of attached verbatim text, and any text from question 8 that was determined to be for drugs that should have been recorded in questions 11-19. Aspirin, acetaminophen, and NSAIDs are not included in these variables because participants were asked not to include them (they were asked about specifically in the earlier questions).</p> <p>The array is ordered by the number assigned to the drug in the format.</p>	<p>.F="No Form"  .N="NA"  1="Alprazolam"  2="Lorazepam"  3="Temazepam"  4="Diazepam"  5="Triazolam"  6="Chlordiazepoxide"  7="Butalbital"  8="Phenobarbital"  9="Buspirone"  10="Zolpidem"  11="Eszopiclone"  12="Melatonin"  13="Zaleplon"  14="Flurazepam"  15="Quetiapine"  16="Aripiprazole"  17="Sodium Valproate / Divalproex"  18="Risperidone"  19="Olanzapine"  20="Carbamazepine"  21="Lithium"  22="Citalopram"  23="Sertraline"  24="Fluoxetine"  25="Paroxetine"  26="Escitalopram"  27="Milnacipran"  28="Amitriptyline"  29="Doxepin"  30="Imipramine"  31="Nortriptyline"  32="Desipramine"  33="Trazodone"  34="Duloxetine"  35="Mirtazapine"  36="Venlafaxine"  37="Desvenlafaxine"</p> <p>[continued...]</p>

Variable	Label	Description	Format Text
